Share your activities and creativity on social media using the hashtag #SC2020

Try these fun activities with your family to make a bingo! Complete all squares in a column, a row, or diagonally.

Mark off which boxes you complete and show us your bingo by posting a picture of your card with #SC2020.

We'd love to see videos and pics of you and your child completing the activities, too!

Activities on this bingo sheet count towards the Dayton Metro Library's Summer Challenge where you can earn prizes for time spent on summer learning! Keep track of how much time you spend on these activities and record them on the Dayton Metro Library's tracker.
